Congratulations! This letter confirms that your practice has met the requirements for QOPI® Certification. This status demonstrates a commitment to excellence and ongoing quality improvement in your practice.

QOPI Certification must be renewed every three years and your current term is valid through **August 2025**. QOPI certification reflects a commitment to quality of care that leads to fundamental changes in the clinical practice of oncology. Your practice has achieved this certification by meeting QOPI's core standards in all areas of treatment, including:

- Treatment planning
- Staff training and education
- Chemotherapy orders and drug preparation
- Patient consent and education
- Safe chemotherapy administration
- Monitoring and assessment of patient well-being

Congratulations on this significant achievement. If you have any questions, please email: qopicertification@asco.org.

Sincerely,

Clifford A. Hudis, MD, FACP, FASCO
